(d) the corrective steps taken/being taken by the Government in this regard

## Answer

The Minister of State in the Ministry of Finance
(Shri Santosh Kumar Gangwar)

(a) to (b): With a view to ensuring availability of agriculture credit at a reduced interest rate of 7% p.a. to farmers, the Government of India in the Department of Agriculture, Cooperation & Farmers' Welfare implements an interest subvention scheme for short term crop loans up to Rs. 3.00 lakh. Under the said scheme, additional subvention of 3% is given to those farmers who repay their short term crop loan in time, thereby reducing the effective rate of interest to 4% p.a. for such farmers. The details of the loans disbursed by banks to the farmers along with the outstanding agricultural loans against farmers during the last three years and the current year as reported by Reserve Bank of India are given in Annexure I to VI.

(c) & (d): There is no proposal under consideration of the Government to waive off the loans of farmers. However, in order to reduce the debt burden of farmers, increase the availability of hassle-free institutional credit for agricultural operations and mitigate the hardships faced by farmers, the following major steps have been taken by the Government :

â€¢ The Government has introduced the Kisan Credit Card (KCC) Scheme, which enables farmers to purchase agricultural inputs such as seeds, fertilisers, pesticides, etc. and draw cash to satisfy their agricultural and consumption needs. The KCC Scheme has since been simplified. It has the provision of ATM enabled debit card with, inter alia, facilities of one-time documentation and built-in cost escalation in the limit, etc.

â€¢ RBI has issued directions for Relief Measures to be provided by respective lending institutions in areas affected by natural calamities which, inter alia, include, restructuring/rescheduling of existing crop loans and term loans, extending fresh loans, relaxed security and margin norms, moratorium, etc. These directions have been so designed that the moment calamity is declared by the concerned District Authorities they are automatically set in motion without any intervention, thus saving precious time. The benchmark for initiating relief measures by banks has also been reduced to 33% crop loss in line with the National Disaster Management Framework.

â€¢ Loan to distressed farmers indebted to non-institutional lenders is an eligible category of farm credit under the Priority Sector Lending (PSL) directions issued by RBI. This is intended to provide hassle-free institutional credit to farmers for repaying their debt to moneylenders.

â€¢ RBI has conveyed to Banks to waive margin/security requirements of agricultural loans upto Rs.1,00,000/-.
